

MBBS Admission 2018

The registration for AFMC would begin **ONLY after the declaration of Results of NEET(UG)** by CBSE. The candidates desirous of seeking admission in MBBS Course at AFMC Pune for 2018 session are advised the following:

1. Wait for the NEET(UG) -2018 results to be declared.
2. ONLY after the results have been declared, successful candidates are required to register themselves on the Medical Counseling Committee website www.mcc.nic.in.
3. At the time of registration on the website, the candidates have to register separately for AFMC. The links available for registration are:
 - a) ALL INDIA QUOTA COUNSELING
 - b) AFMC MEDICAL COUNSELING
 - c) DEEMED/CENTRAL UNIVERSITIES
 - d) ESI MEDICAL COUNSELING
4. The registration for AFMC has to be done separately by clicking on the link "AFMC MEDICAL COUNSELING" .
5. The shortlisted candidates would be called to AFMC Pune for further screening tests.
6. Candidates are advised to keep themselves updated by following the website www.afmc.nic.in for further information.
