52. **Evaluation Criteria** – The broad guideline for evaluation of Bids will be as follows :

- a. Only those Bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirement of the RFP, both technically and commercially.
- b. The lowest bid will be decided upon the lowest price quoted by the particular bidder as per the Price Format given at Para 53 below. The consideration of taxes and duties in evaluation process will be as follows :
- i. In case where only indigenous bidders are competing, all taxes and duties (including those for which exemption certificates are issued) quoted by the bidders will be considered. The ultimate cost to the buyer would be the deciding factor for ranking of bids.
- ii. The bidders are required to spell out the rates of customs duty, excise duty, VAT, service tax, etc in unambiguous terms; otherwise their offers will be loaded with the maximum rates of duties and taxes for the purpose of comparison of prices. If reimbursement of customs duty/excise duty/VAT is intended as extra, over the quoted prices, the Bidder must specifically say so. In the absence of such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of such duties will be entertained after the opening of tender. If a bidder chooses to quote a price inclusive of any duty and do not confirm inclusive of such duty so included is firm and final, he should clearly indicate the rate of such duty and quantum of excise duty included in the price. Failure to do so may result in ignoring of such offer summarily. If a bidder is exempted from payment of customs duty/excise duty/VAT duty up to any value of supplies from them, they should clearly state that no excise duty will be charged by them up to the limit of exemption which they may have. If any concession is available in regard to rate/ quantum of customs duty/Excise duty/VAT, it should be brought out clearly.
- iii. Stipulations like, excise duty was presently not applicable but the same will be charged if it becomes leviable later on, will not be accepted unless

iv. In such cases it is clearly stated by a Bidder that excise duty will not be charged by him even if the same becomes applicable later on. In respect of the Bidders who fall to comply with this requirement, their quoted prices shall be loaded with the quantum of excise duty which is normally applicable on the item in question for the applies to customs duty and VAT also.

c. If there is a discrepancy between the unit prices and the total prices that is obtained by multiplying the unit prices and quantity, the unit price will prevail and the total price will be corrected. If there is discrepancy between words and figures, the amount in words will prevail for calculation of price.

d. The buyer reserves the right to evaluate the offers received by using discounted cash flow method at a discounting rate of ___ %. In case cash flow involves more than one currency, the same will be brought to a common denomination in Indian Rupees by adopting exchange rate as BC selling rate of the State Bank of India on the date of the opening of Price Bids.

e. The lowest acceptable bid will be considered further for placement of contract/supply order after complete clarification and price negotiations as decided by the buyer. The buyer will have the right to award contracts to different bidders for being lowest in particulars items.
