

# MATERNAL FETAL MEDICINE CENTRE

A state-of-the-art Maternal Fetal Medicine Centre was inaugurated at Command Hospital (SC), Pune by Lt Gen Pankaj P Rao, Director & Commandant, AFMC on 19 Mar 2026, in presence of Dr Deepali Rao, marking a significant milestone in advancing maternal and fetal care. Established through collaboration between the Dept of Obstetrics & Gynaecology, AFMC and Command Hospital(SC), the centre is equipped with advanced diagnostics including fetal echocardiography and neurosonography, along with specialised in utero interventions for complex cases. The initiative reflects the commitment of AFMS to excellence in maternal-fetal care, while nurturing future specialists and upholding the ethos of “Nurturing Life Before Birth”.
